UNINSURED ADULTS IN SOUTH DAKOTA WHO WOULD BECOME ELIGIBLE FOR MEDICAID UNDER EXPANSION

The ACA expanded Medicaid coverage to nearly all adults with incomes up to 138% of the Federal Poverty Level (\$17,236 for an individual in 2019). If South Dakota were to expand its Medicaid program, 29,000 uninsured nonelderly adults would become eligible for coverage, 45% of the state's uninsured nonelderly adult population.

Childless Adults

Parents

77% of those who would become eligible under Medicaid expansion are childless adults, a group historically excluded from Medicaid eligibility.

Who Are Uninsured Adults Who Would Become Eligible for Medicaid if South Dakota Expanded?

Nearly **7 in 10** are adults living below poverty.

Less than **half** are White, non-Hispanic.

More than 3 in 10 are middleaged and 13% are nearelderly, who are more likely to have substantial health needs.

P

12,000 women

42% are women even though many women qualify for Medicaid as caregiver parents.
